WATER STREET SOLUTIONS®

Position: Agricultural Tax Supervisor

Water Street Solutions is a rapidly growing agricultural company based in Peoria, IL. We help farmers with profitability, using a business model unique within the industry. We leverage expertise in the areas of financial consulting, crop insurance, commodity marketing and legacy planning.

We hire individuals who are as passionate as we are about helping farmers fulfill their legacies. We are interested in candidates who align personally and professionally with our core values of stewardship, servant leadership, courage, commitment, integrity, loyalty and passion.

Are you motivated by complex figures and numbers? The Agricultural Tax Supervisor serves as a sought after advisor who is responsible for delivering high quality tax service and strategic advice.

Key Accountabilities Include:

- Providing leadership- leading the staff of tax professionals and maintaining the highest standards of excellence for the firm regarding tax engagements
- Managing people-assisting in building, supervising and developing the team by recruiting, coaching and retaining accounting/finance professionals who can assist in the growth of our organization
- Tax review- providing leadership and tax consulting recommendations on state and/or federal taxes based on information provided by the client. Ensuring that income, deductions and allowable credits meet IRS requirements. Responsible for meeting deadlines as required by the company.
- Building and maintaining consulting relationships with clients- developing rapport with clients in order to gather and interpret financial data to provide the best strategic tax advice

Qualifications Requested

- B.S. Degree in Accounting, Finance or related field
- Five or more years of successful experience in accounting or related field with progressively increasing responsibility
- CPA certification required
- Supervisory and/or team leadership experience is preferred
- Strong decision making and problem-solving skills
- Excellent customer interface skills are essential
- Must work effectively in a team environment and have a strong work ethic

20% of overnight travel is required for this position.

Must be authorized to work in the United States.

For the chance to make a difference in agriculture, send your resume and cover letter to Andrea Majors at amajors@waterstreet.org.
